JAKOB DE WITTIG

ABOUT

Jakob de Wittig is a Copenhagen-based producer and musicologist with more than 20 years of experience with electronic music production. Known as a talented producer and virtuous pianist he has worked with numerous artists in all sorts of genres and is now established as a respected live act combining technical know-how with solid musical craftsmanship. His solo project Jakob de Wittig is a melodic journey through hard-pumping house grooves. He plays energetic sets bringing the best out of the crowd. Whenever Jakob plays you can expect a musically outstanding live performance.
